

Dr. Galina Mahlis, ND

Consent for Naturopathic Care

I, _____ (or the patient named below for whom I am legally responsible), hereby request and consent to receive naturopathic medical care by the above named California licensed naturopathic doctor who now or in the future may treat me. I have also read and understand the NOTICE OF PRIVACY PRACTICES, which discusses my rights under the Health Insurance Portability and Accountability Act of 1996. It is available for download at: <http://www.dhcs.ca.gov/services/ccs/Pages/HIPAA.aspx>

I understand that the methods of treatment are permitted under the California Naturopathic Doctors Act, which may include but are not limited to nutritional counseling, western herbs, homeopathy, nutritional supplements, oral chelation, hydrotherapy, intramuscular injections, hormone replacement and IV therapy.

I have had the opportunity to discuss with the naturopathic doctor named above the nature and purpose of naturopathic treatments and procedures. I am aware that all existing methods of diagnosis and treatment, including naturopathic healthcare, pose some level of risk. Within the general healthcare setting, the possible outcomes of these practices by a naturopathic doctor range from minor to fatal.

The herbs, homeopathic medicines and nutritional supplements (which are from plant, animal, mineral and other sources) that have been recommended, are considered safe when taken as instructed in the practice of naturopathic medicine. I know that it is extremely important that I follow the prescribed recommendations when taking herbs, homeopathic medicines and nutritional supplements because they may be toxic when taken in large doses. I understand that herbs may need to be prepared and the teas consumed according to the instructions provided orally and in writing. The herbs may be an unpleasant smell or taste. I understand that some herbs and supplements may be inappropriate during pregnancy, and I will immediately notify the doctor if I become aware that I am pregnant. I will immediately inform the doctor if I experience any gastrointestinal upset (nausea, gas, stomachache, vomiting or similar condition), allergic reactions (hives, rashes, tingling of the tongue, headache or similar condition), or any unanticipated or unpleasant effects associated with treatment or the herbs or other supplements prescribed by the doctor. I understand that while this document describes the most common risks of treatment, other side effects and risks may occur. In order for me to be properly treated for my medical condition, I know the doctor must be contacted promptly if an adverse reaction or condition occurs. In any event, if an emergency medical condition arises, I will seek treatment immediately from a trauma center or call 9-1-1.

I have read, or have had read to me, the above information and consent. I have also had an opportunity to ask questions about its content, and by voluntarily signing below I agree to the above-named procedures. I intend this consent form to cover the entire course of treatment for my present condition and for any future condition(s) for which I seek diagnosis and treatment.
